followed by drinks and reception

and

Study day on Saturday 18th May, 09.00 - 17.00 (UK Time)

*On The Impulse to Impart,
from primordial to modern eras.
A discussion on the parts played by language
and communication in group-analysis.*

Speaker: *Kevin Power*
Respondent : *Inge Hudson*

To be held at

KINGS' FUND building

No. 11-13 Cavendish Square

London W1G 0AN

" 'On The Impulse to Impart' is about communication and language. Communication is a fundamental group-analytic theme and one on which S H Foulkes laid great and repeated emphasis. I look at their parts in group-analysis, how they may have originated and evolved and at an experiment that appears to confirm Foulkes' belief in language being the defining human attribute." (Kevin Power).

Foulkes Lecture:

18.00 Registration – Welcome

Kevin Power, Group Analyst, psychotherapist in 1984 with the London Centre for Psychotherapy. IGA's Certificate in Group-analytic Supervision in 2003. GAS and GASI as Hon. Secretary, Hon Treasurer, Hon Archivist, Exec Editor of the Journal and Chairperson of the 2011 London Symposium.

Inge Hudson is a retired group analyst and a clinical psychologist. She has extensive experience as a practitioner with groups and individuals within the NHS, at the Women's Therapy Centre, London and in private practice. She has taught on a number of training courses for psychologists and psychotherapists in the UK and in Germany and was a training group analyst for the IGA and G.R.A.S. in Germany.

Catherina Mela MD, is a group analyst, trainer, neurologist with specification on psychoneuroimmunology. She is the f.Vice President of IAGP , founder and chair of the IAGP Research Comittee (2012-2024).She lives and works in Athens, Greece.

Felix Korf is a group analyst and a specialist in psychosomatic medicine, currently also training in psychiatry. He lives and works in Wiesbaden/Frankfurt, Germany.

The venue is situated in the heart of London's West End.
The venue is within walking distance from Oxford Circus and Bond Street stations.

Online timings: will follow the same pattern above

Fee structure: *Participants have a choice of high and low fees to suit their circumstances. We very much hope that wherever possible people will choose the higher fee in order to support the Society in holding this important event in the group analytic calendar in person, albeit with reduced numbers, and online to allow wider access.*

The event is open to members and non members
